

## Hospital Blood Plasma Centrifuge Tabletop Centrifuge Max 8\*15ml

Our Product Introduction

for more products please visit us on [mkecentrifuge.com](http://mkecentrifuge.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: MKE
- Certification: CE, ISO13485, ISO9001, SFDA
- Model Number: TD4
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Wooden Box
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 set/month

### Product Specification

- Applications: Hospitals, Veterinary Clinics, Food Labs, Universities & Colleges, Pharmaceutical Labs, Cell Culture Labs
- Max. Speed: 4000rpm
- Max. RCF: 2100xg
- Max. Capacity: 8\*15ml Angle Rotor
- Matched Rotors: Fixed Angle Rotors
- Display: Digital
- Warranty: 1 Year, 3 Years, 5 Years, Free, Free Within Warranty
- Highlight: Hospital blood plasma centrifuge, Refrigerated blood plasma centrifuge, Hospital high speed micro centrifuge

### Product Description

Low Speed, small size and light weight, low noise, it is the first-choice instrument for small-volume separation in hospitals, research institutes and universities at all levels, specially for cosmetic surgery hospitals, beauty salons, health centers etc.

#### Design

- Metal housing, metal lid, and 304# stainless steel centrifuge chamber are autoclave-able and resistant detergents and disinfection liquids.
- Aluminum alloy rotor
- Observations window on lid for speed calibration and noise measurement.
- Microprocessor control with maintenance-free brushless DC motor
- Digital display the parameters of Speed, Timer, RCF.
- Small size and light weight, with high-strength ABS structure, long lasting and easy move.

Our Product Introduction

### User friendly

- Automatic lid-locking and holding during rotor run.
- Easily exchangeable rotors.
- Real time Conversion for r/min/RCF
- Automatic troubleshooting with indication of error code and alarm on the screen.
- "Mute"patent technology. Noise level lower than 55 decibel at the highest rotational speed.

### Safety

- Produced according to international safety regulations (e.g. IEC 61010).
- Safety Electrical lid interlock,door can not open when rotor is running and machine won't run when lid open and error code appears.
- Emergency lid-lock release when power failure.
- Gas hinge for lid drop protection.
- Safety protections are made for the over speed to ensure the man machine safety.

### WHY CHOOSE US

- **Direct from the Manufacturer:** Enjoy competitive pricing on all our products.
- **Certified Excellence:** Experience premium quality with our CE and ISO certified products.
- **Customization at Its Best:** Benefit from our robust OEM and ODM capabilities tailored to your specific needs.
- **Reliable Production and Delivery:** Trust us for guaranteed on-time production and delivery of your orders.
- **Comprehensive Support:** Rely on our comprehensive after-sales service, including complimentary product accessories.

- **Expertise You Can Trust:** We stand behind our 15 years of experience in R&D and production of medical centrifuge machines.

### **Our Factory Introduction**

We have a standardized production workshop operated by a dedicated team that ensures quality in every laboratory centrifuge and lab equipment we produce. Our R&D division includes design engineers, technology specialists, qualified experts, and process control managers. Following a strict quality control system, our specialists oversee the entire production process, from design and R&D to testing, production, quality inspection, and packaging.

- Specialize in centrifuges.
- With decades of experience, we've exported to 80+ countries.
- Proven Reputation: SGS and Intertek inspected, underlining our reliability.
- Manufacturing Capabilities: 6 floors, 3000 sqm each, dedicated to manufacturing and quality control.

### **MKE Exhibition**

### **Packaging & Delivery**

MKE centrifuges are securely packaged in wooden cases or carton boxes, selected according to the weight and size of the goods. This ensures they are delivered in excellent condition to customers worldwide.

### **After-Sale WARRANTY**

### **FAQ**

**Q: How long is the production lead time?**

A: Within 7-15 workdays after receiving deposit.

**Q: What's your warranty?**

A: All MKE products have ONE year warranty, five-year motor warranty. We won't charge clients any money for repairing the machine during one-year warranty time, the freight is also on us.

**Q: How about the sample of MKE Centrifuge?**

A: We could send you the samples but the freight and the sample are charged.

**Q: Which kinds of Certificate would you have?**

A: ISO9001, ISO13485, CE

**Q: Do you offer centrifuges with voltage and plug options suitable for my country/region?**

A: Yes, we provide centrifuges with various voltage and plug options to meet different country/region requirements. Please let us know your specific needs, and we will ensure compatibility.

**Q: Are there customized options available for specific applications?**

A: Absolutely! We offer customization options to meet specific application needs. Let us know your requirements, and we will tailor the centrifuge accordingly.
