

High Speed Compact Digital Microplate Shaker For 96 Well Plate

Our Product Introduction

for more products please visit us on mkecentrifuge.com

Basic Information

- Place of Origin: China
- Brand Name: MKE
- Certification: CE, ISO13485, ISO9001:2015
- Model Number: K12
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Wooden Box
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 set/month

Product Specification

- Applications: Used In Immunoassays And Staining Experiments
- Warranty: 1 Year Warranty For The Whole Machine.
- Highlight: High Speed compact digital microplate shaker, 96 Well Plate compact digital microplate shaker, 96 Well Plate high speed microplate shaker

Product Description

K12 microplate shaker has taken advanced design concept and manufacturing technology. It is mainly used for the solution vibration of microplates (96-well plate / 384-well plate) and cell culture plate (24-well plate, 48-well plate, 96-well plate etc) . It can be used in immunoassays and staining experiments. It is applicable in low ambient temperature or in culture box. Compact appearance. Easy to operate without noise. Safe and stable.

Minimum Order Quantity:1

Price: To be negotiated

Packaging Details: Plywood Box

Delivery Time: 7-10 working days

Payment Terms: T/T

Supply Ability: 300sets/month

- 3 inches LCD high light screen with the real time display of the system operation status and parameters.
- Micro processor control. The accurate rotational speed with little fluctuation and no noise. Safe and stable.
- 4 standard microplates or microtitre plates can be placed. It is high efficient for the sample mixing of micro quantities.
- Power recovery function. When the power is restored, the instrument can auto resume operation according to the original program.
- Fixed frame convenient to install the microplates quickly.
- Brushless D.C. motor with long life span makes the soft or strong vibration

WHY CHOOSE US

- **Direct from the Manufacturer:** Enjoy competitive pricing on all our products.
- **Certified Excellence:** Experience premium quality with our CE and ISO certified products.
- **Customization at Its Best:** Benefit from our robust OEM and ODM capabilities tailored to your specific needs.
- **Reliable Production and Delivery:** Trust us for guaranteed on-time production and delivery of your orders.
- **Comprehensive Support:** Rely on our comprehensive after-sales service, including complimentary product accessories.

- **Expertise You Can Trust:** We stand behind our 15 years of experience in R&D and production of medical centrifuge machines.

Our Factory Introduction

We have a standardized production workshop operated by a dedicated team that ensures quality in every laboratory centrifuge and lab equipment we produce. Our R&D division includes design engineers, technology specialists, qualified experts, and process control managers. Following a strict quality control system, our specialists oversee the entire production process, from design and R&D to testing, production, quality inspection, and packaging.

- Specialize in centrifuges.
- With decades of experience, we've exported to 80+ countries.
- Proven Reputation: SGS and Intertek inspected, underlining our reliability.
- Manufacturing Capabilities: 6 floors, 3000 sqm each, dedicated to manufacturing and quality control.

MKE Exhibition

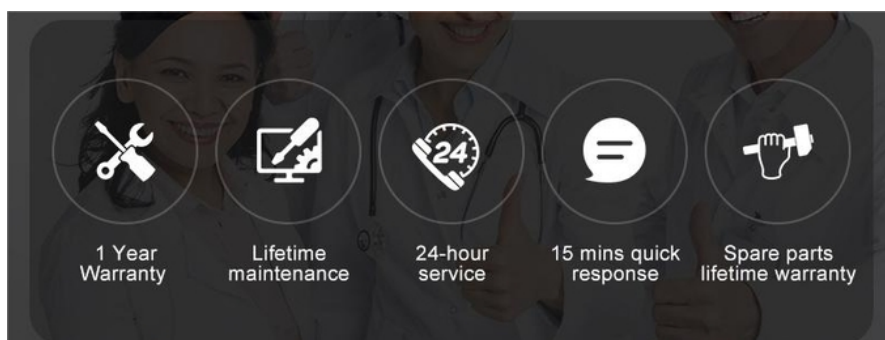

Packaging & Delivery

MKE centrifuges are securely packaged in wooden cases or carton boxes, selected according to the weight and size of the goods. This ensures they are delivered in excellent condition to customers worldwide.

After-Sale WARRANTY

FAQ

Q: How long is the production lead time?

A: Within 7-15 workdays after receiving deposit.

Q: What's your warranty?

A: All MKE products have ONE year warranty, five-year motor warranty. We won't charge clients any money for repairing the machine during one-year warranty time, the freight is also on us.

Q: How about the sample of MKE Centrifuge?

A: We could send you the samples but the freight and the sample are charged.

Q: Which kinds of Certificate would you have?

A: ISO9001, ISO13485, CE

Q: Do you offer centrifuges with voltage and plug options suitable for my country/region?

A: Yes, we provide centrifuges with various voltage and plug options to meet different country/region requirements. Please let us know your specific needs, and we will ensure compatibility.

Q: Are there customized options available for specific applications?

A: Absolutely! We offer customization options to meet specific application needs. Let us know your requirements, and we will tailor the centrifuge accordingly.
